Executive Director, Central Intelligence Agency/2
Assistant Chief of Staff for Intelligence, Army/3
Director of Naval Intelligence/4
Assistant Chief of Staff for Intelligence, Air Force/5

SUBJECT: Request for Support for the White House Crisis
Management Facility

1. Special Assistant to the President Richard Beal has asked the Intelligence Community for assistance in establishing an analytic element for the new White House Situation Room Crisis Management Facility. He needs six broad-gauged officers at the GS-14-15 level, preferably with some experience in crisis management. These officers would serve on a nonreimbursable basis for the rest of FY-83 and possibly during FY-84. As soon as Mr. Beal obtains the required slots from OMB, they would serve on a reimbursable basis.

2. I would appreciate each of you considering whether you could contribute one officer to this effort. Please have someone contact Mr. Beal on 456-6690 to work out the details.
